RE: OPRA Request #15-721 and in connection with OPRA submitted on Oct. 20, 2015

Dear Mr. Paff:

The City of Bayonne is in receipt of your OPRA request. Due to the temporary influx of OPRA requests and limited municipal resources, and due to the nature and extent of the records you seek, please allow two weeks for the City's response to your request. You will most likely receive the response sooner than the two weeks, as your request has been expedited. Thank you for your patience during this time, as it is most appreciated.

Very truly yours,

Mary Beth Golden
